STATEMENT ON MONICA ALEXANDER RESIGNATION FROM THE WSCJTC

(Lacey) – WASPC thanks Executive Director Monica Alexander for her service as the leader of the Washington State Criminal Justice Training Center (WSCJTC). Director Alexander took on a challenging role at a time of rapid change and has led with strength, humility, and with a sense of purpose. She has been transparent, communicative, and we especially appreciate her leadership in developing regional training academies across the state. These make training and a career in law enforcement available and achievable for many more excellent candidates and has been a beneficial development for Washington law enforcement and communities. We also thank Director Alexander for more than two decades of service to the Washington State Patrol. We wish her all the best in her future endeavors.
