

I represent six hotels in the Seattle/Bellevue area and we are all offering very aggressive discounts to First Responders and others who are not COVID-19 positive but may need to shelter away from their families.

All of our hotels are considered “extended stay” and include facilities for cooking. Some of our hotels also feature exterior entrances which are perfect for social distancing.

We are all offering rates that range from \$50.00/night to \$65.00/night.

I have listed each hotel below along with the person to contact and their websites. Do please let us know if there is anything any of us can do for you and your membership!
